

ASN School Tour Descriptions

Walter Bracken STEAM Academy

Description:

Walter Bracken STEAM (Science, Technology, Engineering, the Arts, and Math) Academy is a whole school magnet program serving students in grades K-5. We provide students with an education that emphasizes academic and behavioral excellence through hands-on, enrichment-based curriculum. Our diverse award-winning elementary school enables children to investigate using learning labs and outdoor exploratory areas focused on science, engineering, creativity, and innovation to enrich the curriculum. Our Exploration classes, as well as our before and after school clubs, promote student engagement and choice within our STEAM theme.

Gilbert Academy of Creative Arts

Description:

The vision of Gilbert Academy of Creative Arts is to create a place where artistic strength and academic knowledge come together. It is the goal of Gilbert Academy to enrich the learning experience for all students through exploration and expression. By using arts integration as the vehicle that drives the content learning, students will be successful. We, the Gilbert family, consisting of staff, students, parents, and the community will strive to create a nurturing learning environment which encourages students to participate and learn through the arts. The objective is for students to demonstrate depth of knowledge through exploration and expression of their own unique creative abilities.
